-Person quoted

Things we're thinking of adding later on

- Refined search for more specific searching

- User favorited list on a new page

- The background gets modified from the movie/tv poster of the fetched item.

APIs used for this project (ideas)

Search for Movie/TV information

- https://developer.themoviedb.org/reference/intro/getting-started

Top Result from GIPHY for the media

- https://developers.giphy.com/docs/api/#quick-start-guide

Motivational Quotes from B99 (Brooklyn 99)
